Why use HiFX?

- ✓ **Easy sign up** - simple online process will have you transacting in no time at all
- ✓ **Live exchange rates** - Most banks only update their exchange rates once or twice a day. At HiFX we give you complete transparency
- ✓ **Ultimate reliability with leading edge technology** - We own our own systems for ultimate service reliability
- ✓ **Advance straight through processing** - Created from the ground up, our payment systems have been designed to ensure your payments are processed as efficiently as possible
- ✓ **World class infrastructure** - We are our own Internet Service Provider (ISP) and have a full disaster recovery site in the event of a major incident
- ✓ **Rigorous security** - Rigorously tested technology, bank class security. HiFX uses independently verified online security with the highest level of Verisign certification
- ✓ **Automatic notifications** - Keeping you up to date with your transactions every step of the way. We offer email transaction updates on every transaction you make

We offer a **totally fee free service** and **registration holds absolutely no obligation to transact**. Our aim is to help you transfer your funds in the most secure and cost effective way. Our exchange rates are consistently competitive so you can trust us to save you money on each and every transfer you make.

We're passionate about what we do – and truly commit to delivering world-class customer service. We are large enough to undertake the biggest transfers, yet small enough to care about each and every transaction. It is this proactive and personal service that we believe underpins our success.

We continue to invest to help make transfers stress-free for our customers. We take pride in the fact that we have pioneered many of the practices and techniques that have become standard in our industry. We were, for example, the first currency specialist to offer an online international money transfer service with live discounted exchange rates and no hidden charges.
